## What is MAN TO MAN ?

Men were created to be Alive & Free, Strong, Courageous, and True. Christ has freed his men from fear and sin, death, discouragement and despair. In fact, Paul tells us that "It is for freedom that Christ has set us free," and then commands us to "*Stand firm...and do not let yourselves be burdened again by a yoke of slavery.*" (Galatians 5:1 emphasis added)

Are you standing firm in God's life-giving freedom? You were not created to "go it alone". To experience true spiritual freedom, you need a band of brothers fighting for you. Together we will fight for our freedom, and the freedom of those we love.
